IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of:

Zenon Rypan

Application/Control No. : 10/645,352

Filed: August 21, 2003

For: SPACE SAVING COOKING APPLIANCE

Art Unit: 3742

Examiner: Philip H. Leung

Honorable Commissioner of Patents and Trademarks, Washington D.C. 20231

Sir:

This correspondence is in response to the Office communication mailed 02/01 2006.

In this Office communication letter an applicant is required to submit a complete listing of all of the claims, because it was not presented.

An applicant is being in confusing situation. A complete list of claims with corrections, required by Office communication mailed 12/19/2005, was sent to PTO still January 18, 2006. See copy of the Postal Service Delivery Confirmation Receipt and Bill, provided.

Very probably an applicant's parcel was lost among numerous documents in PTO, or postal service did not deliver it. An applicant is going to investigate the postal service's side. **Therefore, it was made another copy of an answer and sent it again for Examiner's consideration.**

Respectfully submitted
